Heather Keyser (right) and Emiline Glade (left) are both juniors in American Sign Language 2 at Eastlake this year. They would love to create an ASL club at Renaissance because they believe it really follows along with the arts and expressiveness that Renaissance is all about.

- Who? Heather Keyser and Emiline Glade
- What? Content learned would be basic sign language and fingerspelling
- When? Monday's after school from 2:05-2:50. Starting February 13th-May 22nd
- Where? Mrs. Amaya's classroom

We are in need of a parent volunteer who would be willing to watch over us and the group of kids!
