

RSAR PTSA WELCOME BACK LETTER

Hi Parents of Renaissance School for Art & Reasoning 2017-18!

RSAR's Facebook Page:

I am the Communications chair and administrator of the [RSAR Families group](#) on Facebook. We hope you decide to join this group! It's a resource for parents to ask questions and find out specific information about your student's school. This is a closed group and is not used for solicitation or marketing of businesses, but for useful information for the community. Please request to join and I will process your request a.s.a.p. Please feel free to post questions regarding back-to-school, showcase, productions, homework and summer time meet-ups.

RSAR's PTSA website:

Another role I have is Content Manager for our PTSA website, which we launched last year. [RSAR-PTSA.org](#) can be a great resource to find upcoming information about our school and community events. It also is where you sign up to volunteer for our many different opportunities! And if you are a PTSA member, you have access to secure areas of the website including: our online directory, certain documents and passwords to all of our photos located on SmugMUG.

Start by select "First Day Packet" to sign-up for the website. Paid memberships require a written form (one you have filled out in the spring for returning students or during Back to Business Day) and a check. Once received, you will have access to all of the information on the RSAR-PTSA.org website for this school year.

Volunteers Wanted for FB, Website and Volunteer Coordinator:

As an 8th grade parent, there is a need to find someone to shadow me this year for these two positions (web content manager and administer for the facebook page), and it can be two different people. If you are interested in "being in the know" and sharing that information with the rest of the school, please contact me, judithkeyser@hotmail.com or Adrienne Czechowski, adrienneczechowski@hotmail.com, our Volunteer Coordinator. And by the way, Adrienne will also need someone to shadow her this year, as she will be leaving the school at the end of this year too!

PTSA co-President:

We are in need a PTSA co-President. Michele Johansen is currently working this position alone, and with a school of over 90 students, there should be one more parent who is willing to help

out and co-chair this position. Having two people just lightens the load; ideally, a 6th or 7th grade parent would be best. Contact Adrienne adrienneczehowski@hotmail.com or Michele wileymi@hotmail.com for more information.

For 8th Grade Parents Only:

My husband Greg and I are hosting a "Welcome Back to the Flock" night for the 8th grade PARENTS only.

Date: August 31st

Time: 7:00pm-8:30pm

Location: Our home in Sammamish, address will be listed in electronic invitation

Please join us for a brief get-together of parents of 8th graders to welcome in the new school year, meet other 8th grade parents and learn about upcoming 8th grade events that will happen this year; a little different from the past 2 years at Renaissance!
