

2019/20 Student Commitment

Student Name: _____ 2019/20 Grade: _____
(Last) (First) (Middle Initial)

We truly value our partnership with parents. RSAR and the Renaissance School PTSA work together with students and families to make our school great by providing students with enriching educational experiences. This requires additional resources which we are able to provide through the PTSA organization but only because of family engagement with our school. **To this end, we request that families:**

- **Contribute 25 hours of volunteer hours per year per student.**
Our school depends greatly on parent volunteers. Volunteer opportunities are posted by our Volunteer Coordinator on the PTSA website throughout the year. There are many ways to volunteer at RSAR such as:
 - acting as the Committee Chair for one of our many committees
 - serving on the PTSA board
 - help with theater productions or events: make costumes, staging, makeup, bringing food, etc.
 - chaperoning: afterschool classes, camp, ski bus, in the lunchroom, at school dances, theater productions or other events and more
 -
- **Make an Annual Financial Contribution, the suggested minimum is \$200 per student.**
Our school depends on parent contributions to RSAR PTSA to fund academic enrichment programs. Your donation helps to support all students in numerous academic enrichment activities like art, theatre productions, dance performances, field trips, guest speakers, after school classes and more.
- **Join the RSAR PTSA.**
The RSAR PTSA supports our school in a variety of ways. Parent participation is very important. Becoming a RSAR PTSA member provides PTSA benefits such as the right to vote on important items at the general membership meetings such as the annual budget, which programs are funded by our PTSA, approval of grants etc. In addition, the RSAR PTSA compiles a school directory which is used by parents and staff to facilitate communication for the purpose of RSAR business, each member receives a free copy.
- **Follow Lake Washington School District policies and procedures.**

_____ We have read the above and will attend RSAR for the 2019/20 school year.

_____ Our plans have changed and my child will not be attending RSAR in the fall.

_____ Date: _____ Signature of Parent/Guardian
_____ Date: _____ Signature of Student
