STUDENT LAPTOPS

Trouble Connecting at Home

If your student is having difficulty connecting to your wireless network at home, please follow the steps below:

- a. Before you leave campus – shut down your computer
 - i. This mean go to the Start Menu>Power Options>Select Shutdown
 - ii. If you do not shut down, then a restart will be needed at home before you try to connect to DirectAccess.
- b. When the student gets home, power on the laptop
- c. Connect to Home WiFi
- d. Then the student will need to wait about 1-5 minutes while the device connects to Direct Access.
 - i. If no connection is made with in 5 minutes, restart the laptop
 - ii. After the restart – connect to home WiFi and let DirectAccess connect (allow the 1-5 minutes)

Laptop Insurance Options

Families may wish to protect against liability for lost, damaged or stolen property by reviewing their insurance options. Some homeowner's policy may offer coverage and some may offer this coverage if a rider is acquired. In addition, Lake Washington School District has arranged for an insurance option for families wishing to purchase a specific additional insurance to cover their student's laptop. This insurance can be purchased from Worth Insurance Group. The premium is \$63.60 per year and covers accidental damage and theft (police report required). The deductible in this policy is \$0. This insurance can be acquired directly by going to <https://www.worthavegroup.com/portal/lakewashington>. The company also offers coverage for other personal technology devices. If you chose not to purchase the optional insurance or do not otherwise have coverage, you will be responsible for fees for damaged or lost/stolen equipment as defined above.

STUDENT ABSENT/LATE ARRIVAL/EARLY DISMISSAL:

Students that are taking math over at EHS, if they are absent/late you will need to notify both RSAR and EHS about your students' absence.

Absences- An absence may only be excused within 48 hours. Parent/Guardian communication is required for excusing an absence or late arrival. You can email sasimmons@lwsd.org or leave a voicemail at (425) 936-1544. Please spell the last name of the student clearly and provide a reason for the absence/tardy.

Late Arrival- If your student is arriving to school late they need to check in at the office **before going to class**. You do not have to sign the student in but if the student does not stop by the office the absence put in by the teacher will NOT be changed into a TARDY and you will likely receive an attendance call.

Early Dismissal – Please come into the office and sign your student out. You do not need to call or email ahead of time. Please just come into the office, sign your student out and your student will be called out of class to leave with you. You must sign your student out in order for them to leave campus

LOST AND FOUND:

Please remind your student to look in the lost and found for any items they may be missing throughout the year. Items left in the lost and found are donated twice a year.
