This is a big meeting – we're proposing the 2019-2020 PTSA budget. We've made some changes and they're big (but awesome!). Please come see how your contributions and donations are being used and learn about our plans for next year. We will also be reviewing and approving our Standing Rules and possibly voting in some new board members!

We look forward to seeing you on May 21st!

Staff Appreciation Week- May 20-24th

National Staff Appreciation Week is May 6th – 10th. As you know during this week kids will be rehearsing for their weekend performances, so it was decided to move our formal celebrations of our staff to **May 20-24**.

The RSAR staff works very hard with our children and we need to show them how much we appreciate all of their hard work. We have different activities planned for the week. Please participate as much as you can.

- > **Monday – Flowers**
- > **Tuesday – fruit and sweets platters**
- > **Wednesday – staff favorite snacks**
- > **Thursday – Luncheon**
- > **Friday – spring cleaning classrooms**

Students were given paper triangles that they should decorate, putting their names on one side and writing their thoughts about their guild teachers. We will use these triangles to decorate the school commons. Please remind your kids to bring their creations to school on Monday, May 4. The signups for bringing food donations as well as helping kids with clean up are posted in the guild classrooms, please encourage your student to sign up.

Thank you so much for your support during this week. I know the staff will really appreciate it. Please contact Katerina at koturanova@gmail.com or Barbie Sutton at barbiel@microsoft.com

Laptop Insurance Options

Families may wish to protect against liability for lost, damaged or stolen property by reviewing their insurance options. Some homeowner's policy may offer coverage and some may offer this coverage if a rider is acquired. In addition, Lake Washington School District has arranged for an insurance option for families wishing to purchase a specific additional insurance to cover their student's laptop. This insurance can be purchased from Worth Insurance Group. The premium is \$63.60 per year and covers accidental damage and theft (police report required). The deductible in this policy is \$0. This insurance can be acquired directly by going to <https://www.worthavegroup.com/portal/lakewashington>. The company also offers coverage for other personal technology devices. If you chose not to purchase the optional insurance or do not otherwise have coverage, you will be responsible for fees for damaged or lost/stolen equipment as defined above.

STUDENT ABSENT/LATE ARRIVAL/EARLY DISMISSAL:

Students that are taking math over at EHS, if they are absent/late you will need to notify both RSAR and EHS about your students' absence.

Absences- An absence may only be excused within 48 hours. Parent/Guardian communication is required for excusing an absence or late arrival. You can email sasimmons@lwsd.org or leave a voicemail at (425) 936-1544. Please spell the last name of the student clearly and provide a reason for the absence/tardy.

Late Arrival- If your student is arriving to school late they need to check in at the office **before going to class**. You do not have to sign the student in but if the student does not stop by the office the absence put in by the teacher will NOT be changed into a TARDY and you will likely receive an attendance call.

Early Dismissal – Please come into the office and sign your student out. You do not need to call or email ahead of time. Please just come into the office, sign your student out and your student will be called out of class to leave with you. You must sign your student out in order for them to leave campus

LOST AND FOUND:

Please remind your student to look in the lost and found for any items they may be missing throughout the year. Items left in the lost and found are donated twice a year.
