

'INCLUSION ART EXHIBIT'

Renaissance School of Art & Reasoning presents
student artwork at City of Sammamish

As part of the Visual Arts curriculum, RSAR students are asked to reflect by expressing creativity through different art media.

This year we are excited to show the community the results of the students' hard-work and growth, in the 'Inclusion Art Exhibit'.

Please join us for a free Opening Ceremony of the 'Inclusion Art Exhibit', at City Hall of Sammamish, on Thursday February 9th, 2017, 6pm -8pm.

This is an evening full of poetry reciting, artist readings, and a chance to meet the artists and discuss with them their creations.

Thank you for supporting our students.

Light food and beverages will be served.
