

WASHINGTON 2017-18

PHOTOGRAPHY is the process of creating an image. The *photographer* (student submitting entry) is a person who captures their own thoughts and ideas with a camera. By focusing on objects using various lenses, filters and light sources, photographers may demonstrate the use of photographic techniques conventionally or digitally.

Whether an entry displays use of technologies or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme, originality and creativity.

Any violation of these rules may, at PTA's discretion result in disqualification.
